ASTERIA 112

— Built by Heysea

DYNAMIC DESIGN UNPARALLELED ELEGANCE

The Asteria 112 retains her consistently exceptional and transcendent qualities. Her streamlined, pearl-white design and massive 35.83-meter length, enhanced by special craftsmanship, provide superior seaworthiness and wave resistance. Her sleek exterior exudes a sense of power and speed, making a lasting impression.

The interior design and layout are equally meticulous, perfectly combining luxury and comfort to provide the owner with a palace-like living space at sea. As a highly customizable yacht, the Asteria 112 is an ideal choice for many yachting enthusiasts. The simple and elegant interior design is clean and crisp, while the high-end furniture adds warmth and elegance to the salon and rooms. The Asteria 112 offers a comfortable and free-spirited space for a tranquil life away from the hustle and bustle of the city.

Asteria 112, like a dazzling pearl, attracts attention wherever she goes. As a customizable superyacht, she combines the exceptional qualities of Heysea Yachts with the ability to meet the unique needs and preferences of every owner.

PROFILE VIEW

Asteria 112 continues to be extraordinary, carefully considering functionality and aesthetics. Leisure and entertainment options like BBQ equipment, an outdoor Jacuzzi, an outdoor bar, and a sunbathing deck are all available for you. If you wish, a small crane or a jet ski is also an option for you on the flybridge.

The main deck joins the open bar, a salon, and the dining area seamlessly, while you are treated to breathtaking sea views through the large French windows on both sides.

The owner's cabin in the bow creates a cozy atmosphere with soft, light colors and delicate curtains. Its artistry balances functionality and comfort.

FOREDECK

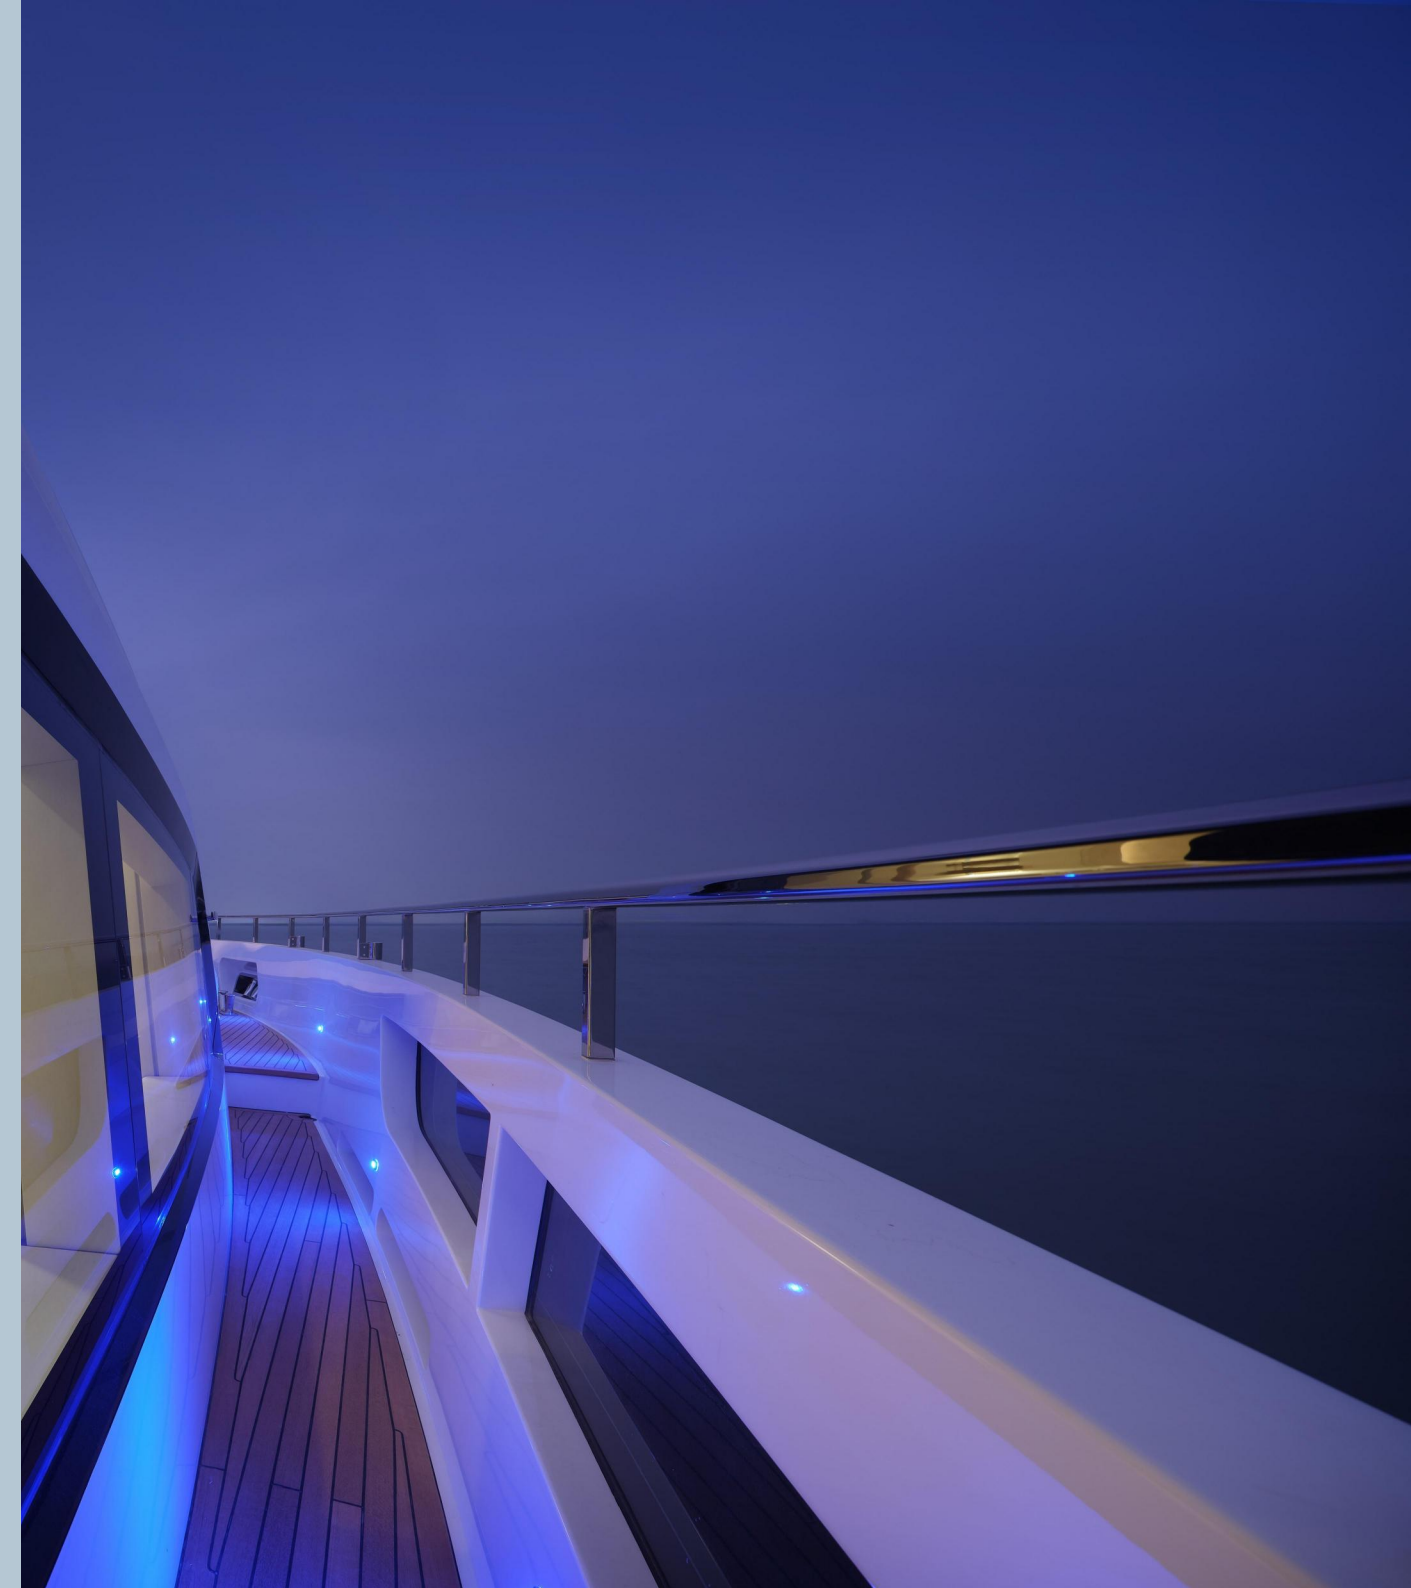

The large sunbathing pads at the bow, along with the U-shaped sofa and social area, provide ample relaxation space at sea, quickly sparking a sense of joy and excitement.

AFTDECK

Heysea Asteria 112 achieves perfection in both interior and exterior design. The aft deck area serves as an excellent extension of the interior space, making it perfect for family dinners, gatherings with friends, or leisurely relaxation. Equipped with ample seating and a spacious dining table, it offers a versatile and comfortable outdoor living area.

FLYBRIDGE

The flybridge deck is like a tranquil oasis, perfectly designed for relaxation and socializing. Its spacious area and comfortable beach loungers allow guests to fully bask in the sun and enjoy the refreshing sea breeze. The barbecue equipment and dining area provide an ideal spot for savoring delicious meals, making both entertainment and culinary enjoyment effortless and delightful.

MAINDECK

The main deck features an open bar, a salon lounge, and a dining area seamlessly integrated into one cohesive space. Large floor-to-ceiling windows on both sides not only ensure ample natural light but also offer stunning panoramic sea views.

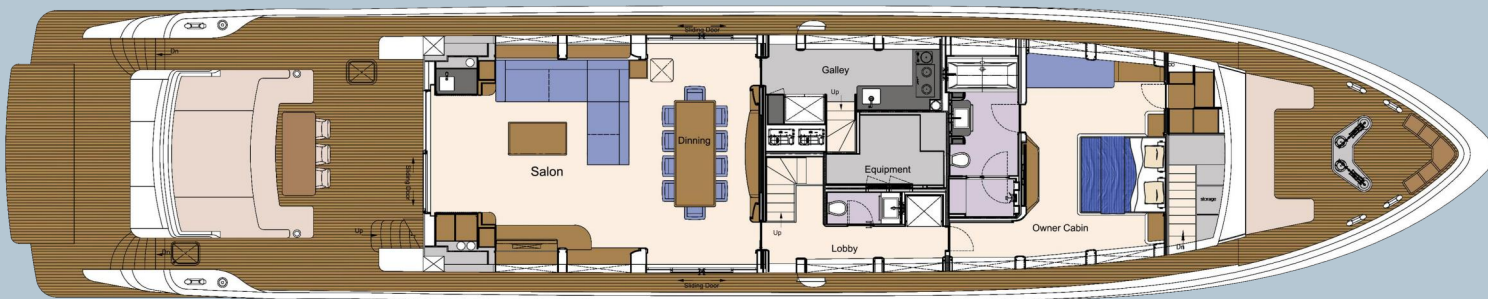

OWENR CABIN

The owner cabin located at the bow of the yacht uses soft, light tones to create a warm and inviting atmosphere. Paired with graceful sheer curtains, it balances artistry, functionality, and privacy, offering a high-quality living experience at sea.
